Uniper Trainee Program –
Asset Operations - Focus on Storage Sales & Dispatch (f/m/d)

Do you want to be part of #unipersnextgeneration and shape the energy world of tomorrow with us? Join our trainee program in October 2020!

What you can expect
- Throughout the course of the 18 / 24-month program based in Germany you will experience new challenges, exciting opportunities and the chance to network internationally
- You will also have the chance to bring-in and enhance your social and teamworking skills
- Individual mentoring and a buddy from day one will give you the best possible foundation for the next step in your career at Uniper
- You will support us by elaborating and implementing our strategic sales direction derived from the mid- and long-term key beliefs of Uniper Energy Storage
- You will be actively involved in the digital transformation process of Germany’s largest gas storage operator
- You will get profound insights into the technical processes of our storage facilities as well as derive and capture commercial optimization potentials

Who we are seeking
- A successfully completed degree preferably in business engineering or comparable
- Interested in getting a good understanding of Uniper’s business
- Relevant internships and/or working student placements
- Entrepreneurial thinking combined with strong business acumen
- Understanding of digital technologies, trends and their fields of application
- A strong will in taking over responsibility and improving structures and processes
- Strive to work together in teams and very good communication skills
- Highly proactive and mobile with a hands-on and self-reflective personality
- Very good written and verbal German and English language skills
